Tarik Peterson, SNAIL Chair

### Brief Summary of September General Meeting Minutes

**City Report (John Cordes):** The next public hearing on Peery Park is Monday, September 12<sup>th</sup> before the planning commission. The plan as drafted will have 'Significant and Unavoidable' impact on traffic and air quality.

Here are the Alternatives:

- Alternative #1 - No Project Alternative
- Alternative #2 - Mixed Use Housing Alternative
- Alternative #3 - Higher Intensity Buildout Alternative.

I strongly encourage you to comment that Sunnyvale should definitely rezone part of Peery Park to add more housing. When the Peery Park Specific Plan was kicked off in 2008, the City Council was concerned about the local economy and having jobs so they gave staff direction to maximize jobs in Peery Park. Now, eight years later and after adding 20,000+ jobs in Moffet Park, it is clear Sunnyvale needs more housing then it does another dense office park. If you want help drafting comments, you can contact John.

**Standing Rules:** Standing Rules are not rules. They are advice based on experience. For instance, what/why it is proper. An example would be SNAIL does not pay for alcohol at SNAIL functions. Tarik will write a comment about this. Jim Quaderer can think of 20 more standing rules. Thomas stated each standing rule should be accompanied by a clear explanation. The standing rule 'SNAIL does not pay for alcohol' passed unanimously, ten for, none opposed, no abstentions.

**SNAILChitChat or Nextdoor:** John asked the members to review this because so few are still using this site, most preferring Nextdoor. Jim Quaderer does not want this site shut down because it has SNAIL's history in it. Connie agrees and stated SNAIL owns this. Jim wants everyone who uses ChitChat to write what they think. Jim Griffith said Next Door is controlled by Next Door.

**Block Parties (Jim Quaderer):** In May 2014, amounts for the block parties were agreed upon to make it easier to get reimbursed for block parties without having to ask for a vote to authorize the funds for each party.

## Columbus Day History

Columbus Day is the celebration of the arrival of Christopher Columbus in the Americas on October 12, 1492. Christopher Columbus was an Italian-born explorer who discovered the Americas for the Spanish King in 1492. King Ferdinand of Spain sponsored the expedition west, in the hopes of sailing to India. In August of 1492, Columbus set off into the Atlantic with three ships; the Nina, the Pinta and the Santa Maria. Two months later he would set foot on the Bahamas and establish settlements on Hispanola Island (now Haiti and the Dominican Republic.) Upon his return to Spain, he spoke of gold in the New World and thus the Americas were opened up for European colonization.

In 1937, President Franklin D. Roosevelt declared October 12<sup>th</sup> every year as Columbus Day. In the U.S., Columbus Day is celebrated by all U.S. states except for Hawaii, South Dakota and Alaska. Columbus Day now occurs on the second Monday in October each year.

## Columbus Day Facts & Quotes

- Colorado was the first state to officially recognize and celebrate Columbus Day in 1906.
- Christopher Columbus' first settlement on Hispaniola Island was called Villa de Navidad (Christmas Town).
- In 1971, the official holiday was moved to the second Monday in October in order to give workers in the U.S. a long weekend. This was part of the Uniform Monday Holiday Act.
- "Only those who dare to fail greatly can ever achieve greatly." -Robert F. Kennedy
- "You can never cross the ocean unless you have the courage to lose sight of the shore." -Christopher Columbus

## Columbus Day Top Events and Things to Do

- Eat some good Italian food.
- Watch a parade.
- Visit the Library of Congress's online exhibit 1492: An Ongoing Voyage.
- Host a scavenger hunt for the neighborhood kids and let them become Explorers for the afternoon.

**SNAIL Neighbors' Change Request Granted**

I wanted to update you on the progress of the Peery Park Change Request to remove the item to put an opening in the walls at Duane / Mathilda and San Aleso / Ferndale.

After several meetings with the Planning Commission and submitting in writing this request, they approved the Peery Park draft as is and forwarded it to the City Council to be certified. On September 20<sup>th</sup>, it was submitted to the City Council. With the support and comments from several members of the SNAIL neighborhood, the owners of the Best Western on Mathilda and representative of the builders for the new housing to be built on San Aleso, the City Council added a recommendation to remove any comment about the openings to the wall in the document. The Peery Park Plan was then approved.

**North County Cold Weather Shelter**

SNAIL will, once again this year, be volunteering to serve the meals at the North County Cold Weather Shelter. If you have a few hours to spare once or possibly twice a week from 6 to 8 p.m. and would like to get to know your neighbors while giving back to your community by providing a little ray of sunshine, this is the place to be. The shelter will open its doors the week after Thanksgiving. This is a great place for accompanied young adults, 16 years and older, to fulfill their community hours. Donations will be accepted, from knitted scarves to beanies, toiletry or garment bags to small size hotel soaps and shampoos, to warm socks. We are also collecting gently used and clean items of clothing such as coats, pants, shirts and jackets. New children, women, and men's underwear are always appreciated. Clean microwave are welcome, too.

To hear more about this heartwarming opportunity, please send an email to [vsuares@gmail.com](mailto:vsuares@gmail.com) or call me at (408) 390-3335.
