

About the SNAIL Neighborhood

Founded in 1995, SNAIL's boundaries are Fair Oaks, Mathilda, Maude, and Ahwanee Avenues. It has over 1,600 households within its boundaries. SNAIL (an official 501c(4) organization), is an active group that partners with the City of Sunnyvale to maintain the esthetics of the neighborhood, promote safety, and reduce crime.

We elect our four Executive Board members annually from SNAIL residents members. All of our activities are focused on bringing together the residents of the neighborhood, and promoting pride in our neighborhood and city.

We encouraged socializing through a variety of activities for adults, children, families, and seniors. We host Summer BBQ's, Chinese New Year Dinner, Cinco de Mayo and holiday parties, monthly meetings with guest speakers, annual neighborhood wide garage sale, and National Night Out. We also decorate all 1,000 trees in SNAIL with a big red bows for the end of year holidays.

All events are well attended by a variety of ages. SNAIL has many volunteers committed to making our neighborhood a success. We have no paid staff. Approximately 55 volunteer Block Representatives hand deliver our newsletters.
