SNAIL Dumpster Day and Yard Sale Weekend

SNAIL receives free trash dumpsters once a year from the City. These dumpsters are for the convenience of the SNAIL neighborhood for dumping non-hazardous waste.

Due to recent City budget cuts, SNAIL will be getting dumpsters for only one day this year, **Saturday, June 28th**. We will not have dumpsters for an entire weekend.

Dumpsters can only be placed on active SNAIL streets that have a volunteer dumpster monitor. Dumpster monitors need to open their dumpster at 8am and close it at 4pm on Saturday, June 28. Dumpster monitors must check what is going into the dumpster and ask people not to put in car parts and hazardous waste. Dumpster monitors should also divert "good stuff" from going into the dumpster for pickup and sale at the SNAIL yard sale. **WE NEED DUMPSTER MONITORS.**

***** SNAIL Yard Sale *****

The SNAIL Yard Sale is still a two-day event, Saturday, June 28 and Sunday, June 29. **All donations for the yard sale appreciated!**

***** Volunteers Needed *****

- a.. Dumpster monitors.
- b.. Someone with a pickup truck on June 28.
- c.. Someone to distribute "horses" and signs.

To volunteer email Jim at: dumpster@SNAIL.org or call 737-9479 by May 10th. Even if you were a dumpster monitor in 2002, you must still reconfirm your participation in 2003.

Thanks...

...to all who participated in our Entertainment Book Fund Raiser. Proceeds earned were great enough to purchase two or three months worth of newsletters. We plan to repeat this next year. Enjoy using your cards and coupons.
