To ensure that we will continue to have these wonderful Dumpster Days sponsored by the City of Sunnyvale,
it is important that the following rules are followed:

1. **ABSOLUTELY NO HAZARDOUS MATERIAL OR FLUIDS ARE ALLOWED IN THE DUMPSTERS.** This includes paint, paint thinner, spray paint cans, pesticides, motor oil, transmission oil, car fluids, grease, fuel, and batteries.
2. No car parts with ANY grease, oil, or fuel. No engines, transmissions, ball bearings, or any other parts that contain grease, oil, or petroleum products.
3. No tires.
4. Completely drain ALL gasoline and oil from lawn mowers. Lawn mowers should be brought to the yard sale.
5. NO NIGHT DUMPING. *Please abide by the dumping hours of 8 a.m. to 3 p.m.* These rules are per Specialty Solid Waste & Recycling and the City of Sunnyvale.
6. **NO REFRIGERATORS, FREEZERS, AIR CONDITIONERS,** or other items containing CFCs or FREON. Take these to the SMaRT station.
7. No televisions or computer monitors. These are hazardous waste because of the lead in the picture tubes. Take these to the SMaRT station – there is a \$15 disposal fee.
8. Place everything including appliances such as washers, dryers, water heaters, and furniture *inside* the dumpsters, not next to them.
9. No commercial or contractor waste.
10. No construction demolition concrete (driveways, house foundations, etc.).
11. Do not overfill the dumpsters. They will be continually picked up, emptied, and returned all day Saturday.
