SNAIL General Meeting Thursday – August 2nd

NOTE CHANGE IN OUR MEETING LOCATION: RETURNING TO OUR USUAL MEETING LOCATION:

Location: Columbia School • Time: 7:00 p.m.
The meeting will be held in the Staff Lounge.
Look for the SNAIL Sign.

There will be no guest speaker at the September meeting.

Partial List of General Meeting Agenda Items:

SNAIL always meets on the first Thursday of the month. The rare exceptions are when the first Thursday is also the same date as a big holiday.

Mark your calendar now for the rest of the year!

All SNAIL area homeowners, residents and guests are invited. Children are welcome. Membership in SNAIL is always free.

Kay Aribas, June 8, 1916 – July 30, 2012

A number of Kay's friends, relatives, and neighbors gathered for Kay's memorial service, which included a bagpiper to celebrate Kay's Scottish roots. Kay was not only a valued neighbor, but a friend to many as well. And of all things many of us will miss about Kay, we'll miss her smile the most. Her smile would light up a room or gathering. Condolences to Bunny Aribas who stayed by Kay's side till the end. Bunny and Kay have attended many SNAIL events over the years.

National Night Out Party a Success

National Night Out had a great turnout this year! Even though it was a bit windy, 162 people signed in. Many hotdogs, hotlinks, chicken sausages and maple links were consumed. Tasty side dishes and some desserts too. The band *The Sound Effect* played until 9 pm, and it looked like everyone was having a good time. Mayor Tony Spitaleri and City Council members Tara Martin-Milius, Jim Griffith, Jim Davis and Dave Whittum came by after already visiting 4 or 5 other Sunnyvale neighborhood events. City Public Safety Officers also joined us, bringing along a big red fire engine. Special thanks to Diane Gleason for organizing this event, those who brought food for the potluck table, and to those who helped set up and take down the tables and chairs (particularly Lisa, Josh, Scott, Dave, John, Jim, and Jose); Thomas for manning the barbecue all evening, and Chiaki for helping him; Jim, Phyllis and Cheryl for signing people in; Chris and Valerie for the SNAP booth; Joan and Mike for transporting barbecue grills; Sylvia and Maja for providing electricity; Debbie for helping wile away the time while we waited for the toilet to arrive; Chris for taking all the garbage; Connie for donating the water and name tags; Bonnie for the flyer; and, everybody else that helped (Sorry we didn't get everybody's name!).

SNAIL Fall BBQ-Potluck

Sunday, Sept. 16, 1:00pm – 5:pm

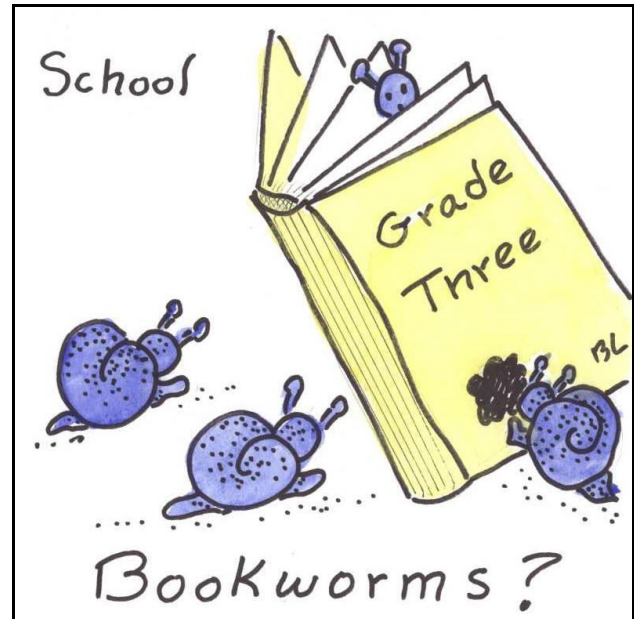

at Jim and Connie's – 810 Carolina Avenue.

City Council Meeting in SNAIL Neighborhood, Sep. 25th

The Sunnyvale City Council will be having its Tuesday, September 25th council meeting at the Columbia Neighborhood Center, 785 Morse Ave. It's going to be a joint meeting with the Sunnyvale School District Board and starts at 7:00 p.m. This is a convenient opportunity for SNAIL neighbors to watch a city council meeting and a school board meeting and offer suggestions for improving the operation of their city government and schools.

Catalytic Converter Theft within SNAIL Community

In the last month and a half there have been 11 catalytic converters stolen from residences in the northern area of Sunnyvale. Most of these vehicles have been Toyotas, in particular SUV's and pickups, because of the space available to get underneath the vehicle. Thieves use portable power saws to remove the converters in minutes.

Below is a list of ways to deter converter thieves;

- Park your vehicle in well-populated, well-lit areas
- Park your vehicle inside a closed, locked garage
- Install conspicuous video surveillance cameras
- Use motion sensor lights in your driveway
- Etching the car's VIN number on the converter will allow recycle centers and police agencies to track down the owners of stolen converters

We need the public's help to report suspicious vehicles and persons in a timely manner. Don't rationalize away your "gut" feelings. If something looks suspicious and doesn't look right, call Public Safety at 408-730-7180. If you see a crime in progress please call 911.

Tracy C. Hern, Lieutenant, Sunnyvale Department of Public Safety
Crime Prevention Unit

Noise concerns from around the neighborhood

This past summer there were lots of celebrations in the SNAIL community. But as the summer draws to a close and the fall BBQ season begins, please remember to be considerate of your neighbors. Everyone likes a good time, but not at someone else's expense. If your neighbor is throwing a party and it is too loud, here are some items to consider:

- If you know your neighbor, go over to the neighbor's house and ask them to turn down the music
- If you are uncomfortable for any reason, contact the non-emergency number for the Department of Public Safety at (408) 730-7110
- If it is an emergency, dial 911

The Sunnyvale website has more information on this topic:

<http://sunnyvale.ca.gov/Departments/PublicSafety/NeighborhoodPreservation/PropertyMaintenanceRequirements.aspx#Noise>

The publication of our newsletter and SNAIL Neighborhood Association sponsored activities are supported through our annual yard sale, newsletter advertisements, a grant from the City of Sunnyvale, Cookbook sales, and donations.

SNAP class enrolling now

The City of Sunnyvale offers a free 8-session course in personal preparedness and community emergency response called "Sunnyvale Neighborhoods Actively Prepare, (SNAP.)" The next class is enrolling now and begins on September 13th 2012.

Many of us do not want to talk about or even contemplate disasters because it may seem "scary, negative, or depressing" to do so. Fair enough. I sympathize. The media coverage of last year's Japan earthquake is what finally pushed me to "do something" and enroll in the City's SNAP course. Learning what to expect in the event of a large scale disaster, such as a strong earthquake, was an eye-opening experience for me. Emergency services will not be available immediately following a major event – period. We really will need to look after ourselves and each other.

Far from doom and gloom, the SNAP instructors provided a fun and interactive learning environment. I finished the course feeling empowered with knowledge of how to prepare and respond, and had the positive experience of making new friends in my community. Also, we got to put on fireman's boots and take turns operating the hose at the fire station – very cool!

SNAP is a great program, and I encourage all SNAIL neighbors who have Thursday evenings available this fall to sign up for the next class.

SNAIL Elections in November

SNAIL needs neighbors to volunteer to accept nominations for the offices of Chair, Vice Chair, Secretary, and Treasurer. Brief descriptions of these positions are in the SNAIL Bylaws on www.snail.org . We will be taking nominations at the October and November meetings, with the election at the November meeting. If you are considering volunteering to accept a nomination, it is important that you attend at least the September 6th, October 4th, and November 1st meetings so that we can meet you and get to know you before the election. Attending our events in the remainder of this year would also be helpful!

Bishop News

Our kids are back to school and September 5th is our Back to School Night. At this time the teachers will go over the curriculum outline for the new school year. This is a great opportunity to visit your children’s classroom and get to know some of the other parents. Mark your calendars for the first big fundraiser of the year, the Walk A Thon that will be held on Friday, October 26th. Please support Bishop by donating to the kids that walk those laps. We are looking forward to a fun and exciting year. Go Bobcats!

Want To Have a Block Party on Your Street?

Getting to know your neighbors starts with the people on your own street. Are you interested in having a local party? Maybe a BBQ on the street or in someone’s back yard? SNAIL would like to support local parties but we’re not quite sure what we can do. If you have any suggestions of how SNAIL can help, please contact Jim at [SNAILchair @ snail .org](mailto:SNAILchair@snail.org) or call 737-9479.

Neighborhood September Street Sweeping Schedule

Our streets are generally swept every two weeks on the day following your trash pick-up. This month, the street sweeping schedule is:

East SNAIL Neighborhood	September 4 th and September 18 th
West SNAIL Neighborhood	September 5 th and September 19 th

If possible, please move your car off the street on street sweeping days.
