**Sunnyvale Neighbors of Arbor Including La Linda
(S.N.A.I.L.)**

SNAIL is a volunteer organization established in 1995 as your local neighborhood association. There are **no costs, dues, or membership fees**. SNAIL is mainly funded through our annual garage sale and newsletter advertisements.

We do many things to help ourselves and our city:

- Provide opportunities for neighbors to meet one another and share their interests
- Organize barbecues, holiday parties for children, and other social events
- Decorate the neighborhood during the December holiday season
- Sponsor an annual free Dumpster day
- Publish a free monthly newsletter with neighborhood and community activities delivered to your door

A few of our accomplishments are:

- Registered with the City of Sunnyvale as an active civic group
- Persuaded the City to stripe Arbor and Duane Avenues and add a bicycle lane to Borregas Avenue
- Helped organize efforts to keep streets from going through the Ferndale Glen development
- Actively voiced concerns in the dispensation of Moffett Federal Airfield

YOUR STREET IS PRESENTLY MISSING OUT ON LOCAL NEWS AND ACTIVITIES BECAUSE IT DOES NOT HAVE A VOLUNTEER TO DELIVER YOUR MONTHLY NEWSLETTER! PLEASE VOLUNTEER TO HAND OUT MONTHLY NEWSLETTERS TO YOUR NEIGHBORS.

To be a member of SNAIL, a street must have **someone who delivers the monthly newsletters on their street**. We usually hold monthly meetings on the first Thursday of each month at Columbia Middle School at 739 Morse Avenue. Our meetings run from 7 - 9pm and children are welcome to attend. During summer months when the school is closed, we hold meetings at an alternate site.

All are invited to attend our meetings. **We are especially in need of block representatives** to deliver the newsletters on their street. Please check out our web site www.snail.org. Contact John at 650-288-9645 or SNAILchair@snail.org.
